This award recognizes an **individual** whose commitment to hospitality has made a meaningful and lasting impression on visitors, customers, and the community. The Hospitality Excellence Award honors those who consistently go above and beyond to create welcoming, memorable experiences that reflect the character, pride, and spirit of the Rainy Lake area.

This award will be presented to an individual who has demonstrated excellence in hospitality through some or all of the following:

- Creating a welcoming and inclusive environment for residents and visitors
- Positively representing the community to visitors and guests
- Enhancing the area's reputation as a destination to visit, live, work, or do business
- Dedication to service that goes beyond expectations
- Demonstrating pride, passion, and care in their role within the community

In selecting the recipient, consideration will be given to the nominee's achievements in the year immediately prior to receiving the award, as well as their past achievements and ongoing contributions to hospitality within the community. The individual recognized does not need to be a member of the International Falls Area Chamber of Commerce. A nominee need only be nominated once to be considered, and the number of nominations received will not influence the selection.
